

## **2009 GUIDELINES FOR TEAM/SPONSOR RECOGNITION BANNER AND BANNER CONTEST**

**PHOTO DAY IS SUNDAY SEPTEMBER 13, 2009  
AT SOLANA VISTA SCHOOL**

All teams are asked to create a banner in advance of Photo Day. Be creative, be fun, be inspirational, and, if you can, involve the whole team in its production. Or, for speed and efficiency, you can contract it out to a banner company. Whichever you choose, the SBSC has only a few ways to thank and promote our sponsors, and recognition of them top and center of your banner is one of the key ways.

In conjunction with photo day, the Solana Beach Soccer Club will also hold our annual banner contest. All teams need to meet the required elements below to be included in judging. **The team that wins in each category will receive a check for \$50 toward their end of year party.** The categories are:

**MOST CREATIVE:** Awarded to the team whose banner shows the most overall creativity in design, theme or presentation - have fun!

**BEST TEAM INVOLVEMENT:** : Awarded to the team whose banner clearly reflects involvement by the team players in its creation - make it a team effort, we'll reward your team!

**BEST SPONSOR RECOGNITION:** Awarded to banner that shows the best recognition of their sponsor by placement or theme - high light your sponsor and there's a reward for your team!
